With reference to the subject cited above, it is to intimate that St. Xavier's High School having two Blocks (A&B) is functioning at Indapahi over plot no- 72 & Khata No- 119. It is a double storied frame structured building. During my inspection to both Blocks of the School Building on dt 22.06.2023, it is seen that building is safe under normal weather & soil condition. No crack is found on brick walls. RCC roof slab is also free from any leakage. This is for favour of your kind information & necessary action.
